

Call unto me, and I will answer thee, and show thee great and mighty things, which thou knowest not. Jeremiah 33 v 3

An Sower went forth to sow;

My first ministry in Visakhapatnam was to a village where pastor Nathaniel had preached the gospel for many months and the Word was taking effect

After preaching the Word and praying for the sick he led me rice to the families and pray for the sick and needy. I visited the family home of local Christians. Although very basic the hut mud floor was swept and clean the pot and pans arranged nearly on shelves

I could live here!!

At the end of one mission I found myself trapped in Visag as the Airport was flooded. Apparently the authorities were so concerned About the Reservoir bursting due to to the heavy rainfall they decided to let the water out thus flooding the airport. The railways were not running to the lines being washed away there were no buses or taxis available as the roads had been washed away so for a week I prayed meanwhile continuing and completing.

The Lord answered and Pastor Nathaniel after visiting and quing at the ticket office for two days managed to obtain an air con compartment on the sleeper overnight train back to Secunderbad where I could connect to my flight from Hyderabad.

In 2014 there were severe floods in Visakhapatnam area. Report

In Peduyim Home Visakhapatnam there is much damage after the storm but DV I will at last be able to re-join the pastors in the tribal region in Visakhapatnam in the derelict church where I taught last year conditions were rough and I read my Bible with the aid of a hole in the roof and a torch.

Last year I only went half way as the roads were flooded and conditions were difficult. 65 pastors attended the Lord blessed and although perfect strangers at the start we bonded and found we were kindred spirits in our desire to preach the Word and win souls for Christ. This year, (DV) I plan to go further in the mountain region if need be to sleep over night and walk a while in their moccasins .

Apart from precious ministry the Lord has put it into my heart to select a small group of mature spirit filled men to oversee gifts and future support for them.

Slum Village. Two years ago I encouraged Pastor Nathaniel to support a slum village. He has been preaching the gospel and providing rice and clothing gifts as well as medicines when needed.

Last year a mother named her baby "Sheila Grace" and now we have been asked to open the church building and dedicate it to the Lord. The children are excited and looking forward to our visit, I plan more gospel/ discipleship meetings with them and of course our regular trip to the beach.

Sheila loves to visit the villages and have hands on to as many babies as is possible her only problems is giving them back. In every village meeting souls are saved and everyone request prayer. Because there is very little medicine available and the doctor or hospital treatment is not available due to poverty they seek the One who is able to heal and we witness many wonderful healings as the villagers have faith and seek the LORD. All glory to God....

For Prayer and Praise

Pastor Nathaniel will be visiting Orissa state to convene a new PTPF (Peduyim tribal pastors fellowship conference DV on 8/9th December. He is setting up a new Pastors Fellowship and DV has invited me to conduct a pastors conference in the new year DV. DBM have distributed bicycles for the pastors, many have been walking from village to village preaching the Gospel. Beulah has presented the poor widows with Sari's and poor needy pastors have been given sacks of good quality rice ice (enough for a family for a month) to the needy pastors families.

Also distributing booklets of "Discipleship Course" in Oriya language also Endure Hardness as a Good soldier of Jesus Christ and my Bible study "Our God is a Consuming Fire"

Pastor Nathaniel in Prison. He took regular monthly meetings and had the joy of seeing souls saved.

Notice the bibles . The children loved to praise the Lord and each evening after supper we gave out the Word.

Souls Saved

Dear Tony & Sheila,

Thank you so much for your greetings and prayers for Peduyim children, about my family, ministry, trustees and PPF Visakhapatnam.

Thank you for your encouragement and I want to tell you one thing which in my heart that is I am often wept in my personal as well as open prayers for the winning souls.

Last year two souls saved namely Pawan Kumar and Siva Kumar. Pawan Kumar is Engineering student studying 3 rd year, Siva Kumar is studying Intermediate.

Please pray for these young boys. They are attending to our Peduyim Church every Sunday service. We want to set up another church near Peduyim Home.

Monday 14th November

Pastors Meeting in Kakinada

Up at 5 AM waited until 7 AM before bath and upon roof. Prayed much for Sheila Family and folks back home

So my last meeting. Felt very heavy burden to be care not to be presumptuous but to prepare so I did

Pastor Godwin knocked but I said sorry I am working. Sujan came he said the Lord woke him at 4 AM He was up on the roof praying so Praise the Lord the blessing is transferring. Glory to God

Prayed with Pastor Godwin before he went off to prepare

The car arrived at 9 45 but we got lost on the way The meeting was possibly one of the best. "The Lord keeping the best until Last"

I was “Honoured” again and also bedecked with lovely flowers. Rather difficult to minister. Sujan read out the Cloud of witnesses. Then slowly one item by one we managed to cover Cell Phones discipline in the church Hallelujah syndrome, Fear of God, All pastors-testimonies, then some teaching on Prayer life faith sacrifice obedience before testimony of myself then Sheila then Hospital ministries Preaching Philippines and India all with the one challenge “Whom shall I send Who will go for us. Here I am send me. Any thing any time, anywhere.

So then Lord helped me. The word went forth with power. Glory to God We distributed booklets then presented a young pastor with a bicycle He was really thrilled Photo

In Pideagallig

Pastors turned up by walk

They set off at 5 AM walked 15 Miles

Amazing

Sujan translated 14 meetings for me

Amazing

Joseph and Mary have had the “Discipleship Booklet” printed in Hyderabad in Kananda language for Kerrala. They have supervised the editing formatting and printing of the booklet and have had a thousand copies printed and sent them the Pastor Raja. I will ask Joseph to send me the translation by email if possible.

One of the ways the Lord guided us in supporting Peduyim Pastor was in donating bicycles to the men most5 needy on the basis that they would be able to cycle to the next village to preach the gospel. Around a hundred were given both in Peduyim and Sheila’s Home.

5pm Visakapatnam The train was so slow with railworks everywhere. We eventually pulled in the station at 12 35 PM midday. I stood on the platform observing the teeming throng dispersing all around me. Then I spotted a white banner and when it turned I saw my name TONY DALY. Pastor Nathaniel met me with his wife and her sister and brother. Their child Hudson 3 years of age.

After introductions we made our way out to wait for the small car to arrive. It was very welcome transport. On our way through the now familiar traffic chaos to the Hotel Royal Fort. It was a new hotel only opened three months ago and very palatial. They had booked me in at R750 per night for two nights. Oh praise the Lord for clean room, clean water. I shared with them briefly and decided that I liked them very much. After showing photos and telephoning Pastor Joseph they left me to rest and will return at 6 PM to take me to the meeting.. Tomorrow they tell me we go to the village, then to the church in the evening DV. I have a Word. "Seek ye the Lord while he may be found. He will abundantly pardon"

Isaiah 55 v 6

Later at 6PM we drove along the coast road to **Tagarapuualsa** town and I met Grandpa and Mother. He was a little confused.

At the church I was bedecked with flowers which was embarrassing in the church I had to take them off before I could speak. They are very heavy.

I gave out the Word "My people shall be willing in the day of my power". The Lord greatly helped me. Several pastors from other churches came. I prayed for many folk including a woman with cancer, a man with skin disease and young teenager with sever sight problem. After praying for so many people (they all want and insist on you laying hands on them) I had a Pepsi and we returned via the main Highway Calcutta Road.

We stopped at a place in Visag to obtain bread Cheese butter it was almost midnight. On the way home a young translator Vigarr (meaning Victory) asked many questions, mainly about church discipline, heavy shepherding and who should he obey? the pastor or the Lord.. I heard the world news on the radio. Breakfast tomorrow is compliments of the hotel. They come to pick me up at 8.30AM Lord a good night's sleep please... AH clean sheets. Lovely.. Goodnight!!!

Friday the 10th January. Visaghapatnam

I slept well Praise the Lord.. I was awake at 6.30 AM I am going to breakfast at 7 AM.

Later 4PM Breakfast was good. No bacon no sausage so I had to be content with omelette, Cornflakes and toast 3 slices with tea. I was ready at 8.30 but Ravi did not arrive until 8 45AM. He had apparently lost his key. We travelled on the main Calcutta highway avoiding three head on crashes before turning off down a rough track to the to a village. I was given a flowery welcome with Hepsit and Beualh (Pastors wife and sister) throwing petals over me..

The meeting commenced with me being bedecked with a garland of flowers and more quantities of petals thrown over me. The girls beautifully dressed

sang as a choir and it was lovely. Around 15 adults and twenty five children gathered to hear the Word.

I preached on As Moses lifted up the serpent in the wilderness", and "Two blind men" Twenty folk responded to the Word, lifting up their hands, saying they had prayed a sinners prayer. Then nearly all came for prayer, older folks with weak hearts skin diseases and all terrible ailments caused I think by bad sanitation, dirty water and awful conditions of poverty. had to tell some of them (before I could pray for them) to remove and destroy their occult fetishes, obtained from the witch doctors , and the jewels in their noses,

The Lord blessed and I was led to give money for a sack of rice for the villagers. I returned down coast road to Visaghatnam and stopped briefly on the beach to paddle and have an ice cream.. The ice cream was a disappointment being so small but I rejoiced for it anyway. The sun was hot the beach inviting and I had paddled in the Bay of Bengal!!! Veejay came to take a photo and I returned to the hotel at 1 PM to enjoy egg chips bread and pineapple..

Brother Riva is coming at 6.45 to take me to the meeting at the Baptist Church in **Tagarapualsa** .

Pastor Riva came at 7PM and we set off for the Baptist church. Stopping on the way at Pastor Nathaniel's home where she had prepared a watery custard..

They live in two rooms on the upper part of o house. The district is poor and noisy. There is a church nearby which was not mentioned.. He showed me his wounded and scarred feet injured through waking to the village. I was given a packet of Bourbon biscuits.

On the way Riva played my tapes on the car radio. It was lovely to hear Sheila singing.. We proceeded to the Baptist church I gave out "Thou art of purer eyes than to behold evil" Warn the righteous Ezekiel. Cyanide poisoning and the Lessons from Amalek. The Lord greatly helped me. After the message around 30 came for prayer

Evening Meal

On missions I stayed in the Guest Room. Beulah would always shop for Cornflakes and provide clean water. Soon she was able to cook egg and chips.

Travel in India . The roads I found very dangerous especially at night where Indian driver would use full headlight on full beam only switching off to allow the traffic to see their silhouette and then the other driver would reciprocate. But to suddenly be plunged into total darkness was not pleasant. The trains were safe but platforms always crowded

Peduyim

In the original Peduyim Home, two rooms rented upstairs in a two story building

Above daily Worship and Bible studies . Beulah is translating. Many of the children were wonderfully saved baptised and went on with the Lord. Mostly all from a Hindu background

At every opportunity the sower would walk the beach and cool down talking things over with the Lord

For more visit www.dailybreadmissions.org.uk

God be praised. The Sower
